The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for International District Intersection Safety Program in fiscal year 2024.

The entity to receive funding for this project is Harris County Precinct 4, located at 1001 Preston Street #950, Houston, TX 77002.

If awarded, the funding would be used to reduce crashes in the International District by improving signalization at intersections, multimodal crossing measures, signage, lighting, and pavement markings and improve accessibility and connectivity between discontinuous neighborhoods and routes to important activity and service centers.

The project is an appropriate use of taxpayer funds because it would combat rising traffic fatalities in Houston, especially among vulnerable pedestrians, bicyclists, and motorcyclists and in low-income and socially vulnerable neighborhoods.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 5305(a)(2) of title 42 of the United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lizzie Fletcher". The signature is fluid and cursive, with the first name "Lizzie" being more prominent than the last name "Fletcher".
